<p>Ushuaia y Río Grande, Argentina, Sudamérica</p>	<p><a href="http://www.untdf.edu.ar">www.untdf.edu.ar</a></p>

### **Institutional Profile:**

**The academic structure is based on four institutes that develop the substantive missions, teaching, extension and research. They provide relevant, updated, flexible, high-level training that delves into the social, cultural, technological, economic and natural resources of the environment. It is located in the extreme south of the Argentine Patagonia. It is based in Rio Grande and Ushuaia, the southernmost city in the world and considered the gateway to Antarctica.**
